

The ABC of Andover Scholarship is renewable on a yearly basis. ABC of Andover provides scholarships to qualified Scholars who demonstrate their desire to be members of our program by supporting the overall goals of A Better Chance and by following the program guidelines outlined in the ABC of Andover Student Handbook.

Scholars who have maintained those behaviors, both academic and personal, which have promoted the long-term goals of ABC of Andover and who have been productive and supportive members of the ABC of Andover community are invited to return.

We are pleased to renew your scholarship. Please notify us of your decision and secure your place by returning this form by the due date.

Any questions may be directed to Bonnie Zahorik (978) 888-8681 Bonnie.Zahorik@AndoverABC.org or Susan Connolly (305) 790-5275 Susan.Connolly@AndoverABC.org. They will help direct your questions to the volunteer responsible, for example, Claire Stahley for Health and Wellness or Delia Vallejo Welch for Academics.
